Dean Hewitt:-

If we keep writing to each other like this, people will begin to talk! In any event the party was quite an bash and I was very surprised by most of it.

You ask about a gold-mounted James Tubbs bow that you have with the initials IS. Would that it had been in my possession but the juxtaposition of Mr. Tubb's dates of work and my life are not in the same area. In a word it was never in my possession, nor have I ever heard of it until now. How is it you never showed it to me before? I would have <sup>it</sup> claimed instantly!!

Take care of yourself. Affectionate greetings from house to house.

As ever,

*Isaac Stern*
